Dear Chairman Granger and Ranking Member DeLauro:

I am requesting funding for the Culinary Water Improvements Project in fiscal year 2024. The entity to receive funding for this project is Richfield City, located at 75 East Center Street, Richfield, Utah, 84701. The funding would be used for Replacing approximately 8,000 feet of aged cast iron pipe and installing approximately 6,000 feet of new pipe to loop existing dead-end lines. The project is an appropriate use of taxpayer funds because it enables the city to meet the obligation to provide reliable drinking water to residents. The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Chris Stewart  
Member of Congress
